AMENDMENT

Sir:

Applicants submit this Response to the February 21, 2007 Restriction Requirement issued in connection with the above-identified patent application. Applicants enclose herewith a petition for a two (2)-month extension of time to file this Response, and a check for \$450.00 in payment of the extension fee pursuant to 37 C.F.R. § 1.17(a)(2). With the extension, the Response is due May 21, 2007.

The Examiner has alleged that the claims should be restricted to one of the following groups:

- Group I** Claims 1-63 and 72-75, drawn to a product in the form of a package, classified in class 206, subclass 459.1;
- Group II** Claims 64-71, drawn to a method of using a package, classified in class 53, subclass unknown;

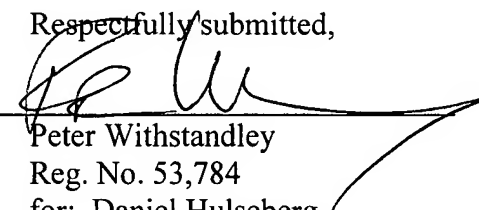

The Examiner has further alleged that the application contains claims directed to the following two patentably distinct species: Species 1, Figs. 2A-9B; and Species 2, Fig. 10.

As required under 35 U.S.C. § 121, Applicants hereby elect Group I and Species 1, with claims 1-63 and 72-75 and Figs. 2A-9B, readable thereon for further prosecution.

Applicants make these elections without prejudice to the prosecution of the subject matter of the non-elected claims.

In addition to the two (2)-month extension fee, Applicants believe that no additional fee is due in connection with filing of this Response. However, if any fee is required, or if any overpayment has been made, Applicants authorize, in the Transmittal Form and Fee Transmittal, the Director to charge any fees, or credit or any overpayments made, to Deposit Account 02-4377.

Dated: 5/21/2007

Respectfully submitted,
By:
